Dear,
Dr Santhra Segaran Balan

I am writing to express my interest in collaborating with your team on research that has the potential for commercialization. Our company, Natural tone Sdn Bhd, is looking to partner with researchers who are conducting innovative and groundbreaking research.

We believe that your team's expertise and knowledge in non-communicable disease research would be an asset to our company. We are particularly interested in your work on DermaCoffee (Psoriasis cream) and a Coffee Pulp yogurt drink and believe that it has the potential to commercialized

As a company, we have a strong track record of successfully commercializing cutting-edge research and developing innovative products that address real-world problems. Our team has extensive experience in bringing research from the lab to the market, and we are committed to working closely with you to develop a commercialization strategy that aligns with your research goals.

We believe that a partnership between our organizations could lead to significant advancements in your field, and we are excited about the opportunity to work with your team to achieve this goal. We are committed to providing the necessary resources and funding to support your research and ensure that it has a meaningful impact on the industry.

Sincerely,

Chua Poey Chin
