Re: Letter of Collaboration

Dear Dr. Ng,

I would like to express my willingness to serve as a collaborator on the research project 'Formulation and physical characterization of a sunscreen lotion comprising *Citrus sinensis* peels extract'. I will be assisting in the various techniques used to prepare and evaluate the sunscreen lotion. I would be pleased to be actively involved in this research, providing insight and inputs on this project.

I look forward to this cooperation with you and your colleagues.

Sincerely,

SamerAl-Dhali
